## About Me

I'm Himanshu Panwar, a 3rd-year Computer Science student at Dev Bhoomi Uttarakhand University with a passion for exploring new technologies. I'm dedicated to building a strong technical foundation and developing practical skills in the field of computer science.

## Certifications

**HTML5 - The Language**

By Infosys SpringBoard

Through the "HTML5 - The Language" course, I gained a solid foundation in HTML5, learning about semantic elements, multimedia integration, forms, and responsive design. This knowledge enables me to build well-structured, interactive web pages. [certificate url]

**Learn CSS - For Beginners**

By Udamy

In the "Learn CSS - For Beginners" course by YouAccel Training on Udemy, I mastered the fundamentals of CSS, including selectors, properties, layout techniques, and styling, which enable me to enhance the visual appeal of web pages effectively. [certificate url]
